JOIN OUR MISSION

The strength of self-esteem. The power of expression. The beauty of love.
 The freedom to magnify all three is FLITE's mantra, its spirit, its dream.
 The dream was born from the Founders' beliefs that everyone has unique gifts and talents. For many individuals, however, life's experiences can be immensely painful and restricting. Like a butterfly, a person's creative talents are waiting to emerge from a cocoon, to be nurtured.

When an artist's potential is allowed to develop and mature, they then possess the power to reach beyond themselves, to cross any border, to be understood in any language.

They can then truly touch the lives of others.
